Why did I fail?!
Because the light is white.
So what if it's white?!
Young man, do you really not know?
Duo Ya Continent is a world made up of magic and Dou Qi.
Fire Mountain
Flat Grasslands
平原
Deep Ocean

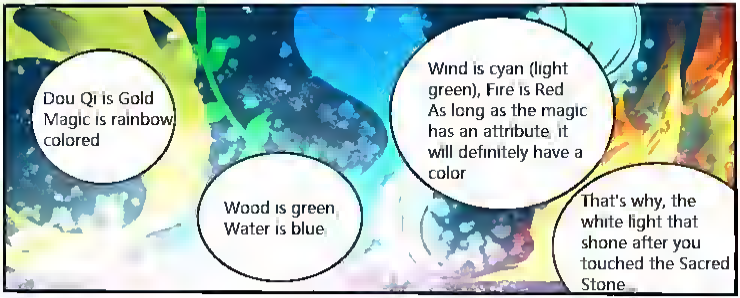
Duo Ya Continent



Dou Qi is Gold
Magic is rainbow colored
Wood is green
Water is blue
Wind is cyan (light green), Fire is Red
As long as the magic has an attribute, it will definitely have a color
That's why, the white light that shone after you touched the Sacred Stone...

Come to think of it, this is the first time someone without magic or Dou Qi took the entrance exams!
Exactly even if you looked across the entire Dou Ya continent, you would struggle to find another one like him!

Shen Yue Academy's plants are all handled by me, I can't keep up with the work
As gardeners, we need to be able to sense the plants

But no wood attribute magicians would be willing to be a mere gardener...
Sorry, if you aren't willing, it's fine. Take it as this old man speaking too much...
And you incidentally have a hint of wood attribute...

When other people cross worlds, they either become famous assassins, concubines or kings!
I'm probably the only world traveller who's a gardener growing trees?!

Everyday, I'm digging mud, planting flowers, fixing branches! Not to mention catching worms in the mud!
What kind of a joke is this!

I'll have you know I'm an otaku!
The kind that only leaves his house once a month!

No Wifi! No 4G!
No QQ*! No messaging!
No anime to watch!!!!!
There's no way to live through such days!

The only interesting part is...

*China's whatsapp basically

The fruit stealing animal?
I will make it die with this fist if the plants are damaged
